About Us Page (continues...)

IMPORTS AND EXPORTS

We control all aspects of cargo to and from anywhere in the world, so there is no need to worry or stress as our detailed-focused team will manage all logistics aspects regarding your cargo.

WAREHOUSING

We supply general warehousing facilities, but consider ourselves as an exclusive bond facility that is equipped to lay out any warehousing facilities.

ROAD FREIGHT SERVICES

We provide road freight services to and from anywhere in the world, so there is no need to worry or stress as our detailed-focused team will manage all logistics aspects regarding your cargo.

SEA FREIGHT SERVICES

We provide sea freight services to and from anywhere in the world, so there is no need to worry or stress as our detailed-focused team will manage all logistics aspects regarding your cargo.

CUSTOM CLEARANCE AND FORWARDING OF CARGO

All goods that are imported or exported into Southern Africa and other countries require customs clearance.

Customs clearance is a process where by the correct documentation is required to clear your cargo.

We handle all clearing procedures for you including, but not limited to:

- Shipping line charges
- Customs entry
- Port payment and duties
- Tariffs interpretation
- Drawback duties

We have a team of experts that process customs clearance ensuring all legal matters are complied with. This is one of the added advantages of utilizing Zarilogistics, as we offer a variety of logisitcs services and handle other technicalities as well.
